REVIEW

Zema Estate Coonawarra 2013 Cabernet Sauvignon

The 2013 Zema Estate Cabernet Sauvignon is typical of what the Coonawarra does best. Coloured deep purple with a fading pink rim, the blackcurrant flavours on the nose are intense and drop nicely down onto the palate of earthy wild berries, cassis and cinnamon/vanilla notes.

The oak is taut and refined as are the tannins allowing the fruits to shine and deliver. A superb, well-made wine with structure, richness and intensity on a long full-bodied, dry finish (rrp \$29).
