### REVIEW

### **Zema Estate Coonawarra Shiraz 2013**

“New discoveries are forever exciting, but it’s always a joy when an old favourite comes up trumps. This is an example of a much-loved estate on song. There’s a bit more throttle to this release and it works a treat. Grainy cherry-plum flavours with beefier notes/aspect, bolstered further by sweet, toasty, cedary oak. We’re in business.”
