REVIEW

Zema Estate Family Selection Coonawarra Cabernet Sauvignon 2008

Alcohol: 14.5%
Price: \$45.95
Closure: Screw cap
Drink: 2015 – 2023+

Twenty-four months in French oak hogsheads. Small amount of barrel fermentation. Released as a five year old.

It's hard to deny this wine. Particularly after a stint in the decanter. It has a jubey sweetness, a wealth of mocha-like notes, a positive influence of sawdusty oak and clear bay leaf and eucalypt input.

Sweet and varietal, well formed through the finish, here for the long-ish haul but able to be enjoyed now. Drink 2015 – 2023+
