REVIEW

Zema Estate Coonawarra Cabernet Sauvignon 2010

2010 Zema Estate Cabernet Sauvignon (\$25)

With an old Coonawarra hand Greg Clayfield overseeing the creation of this wine at the Zema family-owned winery, the outcome was always going to be top drawer. Once Lindemans' chief technician at Coonawarra, Clayfield is a renowned red wine specialist – especially with cabernet sauvignon. This was a top-notch vintage at Coonawarra and the meticulous “vine to wine” attention given to this wine shows up in extraordinary detail. The flavours are rich and balanced, with French oak maturation delivering an absolute bell-ringer.
