REVIEW

Zema Estate Coonawarra Cluny Cabernet Blend 2010

An elegant, dusty and supple shiraz with the balance and structure to age with grace and complexity. It's fresh, lightly floral perfume of cassis, raspberries and restrained dusty, cedary oak reveals nuances of fresh mint, dried herbs and a hint of liniment. Supported by fine, drying tannins with just a hint of edginess, it's smooth and juicy, with flavours of cassis and sweet red berries wrapped in a tight acidity. Give it time.
