REVIEW

Zema Estate Coonawarra Shiraz 2010

Smooth and polished, this juicy, sweetly fruited shiraz of medium to full-body has a faintly dusty, herbal fragrance of delicate black and red berries and cedary oak lifted by a scent of white pepper. Its sweet, confiture-like expression of redcurrant, blackberries, cassis and licorice-like fruit extends with length, elegance and freshness down a gentle, pliant palate towards a fresh, savoury finish with lingering notes of mint and menthol.
