Zema Estate Coonawarra Shiraz 2012

Coonawarra shiraz, matured in a combination of French and American oak. American oak certainly makes its presence felt. It helps give the wine a plump impression. Plum, olive and creamy vanillin flavours pour through the palate, red berried characters then adding a brightness. In the groove, you could call it. If you have enjoyed Zema Estate Shiraz in the past, you are almost certain to enjoy this release.
