## TRADITIONAL COONAWARRA

### Zema Estate 2016 Sauvignon Blanc

#### GRAPE VARIETY

100% Coonawarra Sauvignon Blanc.

#### COLOUR

Attractive medium straw colour with a hint of green.

#### AROMA

The nose displays attractive tropical banana, guava and passionfruit characters with underlying subtle varietal herbaceous notes.

#### PALATE

The palate shows ripe lychee, fresh sliced pear and lemon zest flavours with a well-balanced crisp finish.

#### VITICULTURE

Coonawarra is renowned for its remarkable 'terra rossa' soil, a thin metre band of soil overlaying a deep formation of limestone.

The Zema family is proudly traditional in its approach to vineyard practices, favouring hand pruning and limited irrigation to maximise fruit quality.

The grapes were harvested from low yielding vines and picked to optimize the great flavours of Sauvignon Blanc.

#### WINEMAKING

Careful monitoring of our Sauvignon Blanc vineyard enabled the grapes for this wine to be harvested at their optimum. This is essential with the early ripening Sauvignon Blanc varietal to ensure a good balance of fruit flavours, acidity and herbaceousness.

The juice was cold fermented with aromatic yeast and early bottling under screw cap has ensured that maximum freshness has been retained.
