### Zema Estate Coonawarra Cabernet Sauvignon 2016

Ribbons of mint flourish through this Coonawarra Cabernet.

Complemented by dried sage, there's a seductive savoury appeal about this wine. Black fruits sing. A generous and understated type, a gravelly tannin leads to a longer than expected finish. Give this time to show its best self as it softened beautifully over three days of tasting. Decant before drinking now to be rewarded by patience in the cellar.

Drink to ten years+
