WINE REVIEW

Zema Estate Rosé 2023

Made from 100% Shiraz, from the Coonawarra region, the aim was to retain freshness and aromas and Nick and the team at Zema have succeeded wonderfully well in this.

A gentle burnt sienna colour, the nose exhibits lovely florals and fresh fruit notes. Soft and flavoursome, nicely balanced, this is a cracking rose. We have hints of raspberries and spicy notes. A wine of medium length and fresh acidity.

Enjoy it now or give it a couple of years to develop even more flavour, but it will be hard to resist as it presently shows.

An ideal aperitif style.
