WINE REVIEW

Zema Estate Sauvignon Blanc 2023

Coonawarra is not the first place we think of for Sauvignon Blanc, but that does not mean we can't find some fine examples from there.

The wine is a shining pale lemon hue. It is oozing tropical notes with passionfruit, mango, pineapple and gooseberries all prominent.

It is fresh and the wine offers good energy. Bright, crisp, full of flavour, this is a fine example of Sauvignon Blanc and shows that Coonawarra has more arrows in the quiver than we may have thought.

Enjoy over the next two to three years.
