

THE MORNING AFTER AFTER DARK

SAT 10TH APRIL AT ZEMA ESTATE

Get up-close to the Zema winemaking process and experience the sights, smells and tastes of vintage first-hand.

10.00am: Meet The Zema Family and winemaker, Joe Cory, in the Zema Estate carpark for tea or coffee on arrival.

10.15am: Walk through our winery-block vineyard and sample grapes straight off the vine. We'll teach you the tell-tale signs that it's time to harvest, and the significance of sugar levels and acidity in ripe berries.

10.30am: Visit the winery to see our 40th vintage in full swing. It may be crushing, ferments or tasting juice straight out of the press - there's always something going on in the winery at this time of year.

11.00am: Enjoy a fun and relaxed tasting experience and gain a personal insight into the Zema Family whilst tasting your way through our current release wines and nibbling on a light grazing platter.

12noon: Our guests will be taken back to cellar door where they can browse a large selection of gourmet food and gifts, including Mrs Zema's homemade chilli paste and olive oil.

\$25 per person. [Click here to make a booking.](#) Non-slip footwear is essential. Sun protection and hats are advised.
