

ZEMA

ESTATE

2014 CABERNET SAUVIGNON

GRAPE VARIETY

100% Coonawarra Cabernet Sauvignon.

COLOUR

Deep red/purple colour.

AROMA

Ripe and classic varietal aromas of blackberries, coffee and mint.

PALATE

A benchmark Coonawarra Cabernet displaying vibrant flavours of black currant and chocolate complimented by subtle oak. A well-structured wine with delightfully soft fine grained tannins & good palate length.

VITICULTURE

Coonawarra is renowned for its remarkable 'terra rossa' soil, a thin metre band of soil over laying a deep formation of limestone. The Zema family is proudly traditional in its approach to vineyard practices, favouring hand pruning and limited irrigation to maximise fruit quality.

These practices are enhanced by the family's three strategically selected prime vineyard locations, capitalising on the regions subtle climatic variations.

WINEMAKING

This wine was made from fruit which was harvested at its optimum maturity. The wine was fermented for 7 days under controlled temperatures in a combination of rotary and static fermenters. Maturation for 15 months in small French oak barrels has assisted in the development of a wine that shows vibrancy and richness.

WINEMAKER

Greg Clayfield

COMPLIMENTARY FOOD

Beef Cheeks, Roast Pork, Twice Cooked Duck, Eye Fillet.

CELLARING

Well-structured with outstanding depth of fruit, this wine while drinking well now will continue to gain complexity and offer excellent cellaring potential.

ZEMA ESTATE

The Zema family has been consistently producing exceptional hand crafted Coonawarra wines since 1982.

All Zema Estate wines are Estate grown and vintaged.
